

## Spiro Tzouganatos

Spiro Tzouganatos is one of Australia's leading barristers in Dust Diseases and Toxic Torts litigation. He specialises in complex and challenging cases and has acted in many test cases relating to injuries including cancer caused by asbestos, silica, other substances, and products.

Appearing in Courts and Tribunals throughout the Commonwealth including in the High Court, Spiro practises in all areas of the common law including medical and professional negligence, product liability, class actions, motor vehicle accidents, and abuse litigation.
