

## Anton Hughes

Dr Anton Hughes represents clients in a range of contentious matters, at trial and appeal level. He specialises in all intellectual property matters, including patents, copyright, trade marks, confidential information, misleading and deceptive conduct. Anton brings his extensive advocacy experience and technological expertise to every case to support his clients' individual needs and concerns.

In addition to practicing law for over a decade, Anton has been at the forefront of technology for over 30 years. He has a degree in computer systems engineering, and lengthy professional experience in software development.
